The EPSS system

Electronic Proposal Submission System (EPSS)

- Tested and used in FP6, will be used again in FP7
- Accessible via Internet on <https://www.epss-fp7.org>
- **Must be used** to submit the proposal you wrote.

How it works

- The coordinator creates an account for the proposal
- The proposal must be uploaded in PDF format
- Some administrative forms must be filled online («A forms»)

Tips for submission on EPSS

Be on time!

Deadline and hour are indicated in the Call text

After 17h00, you can not submit any longer

- Ask your partners «A form» information early enough
- Beware of the formatting after conversion into PDF
- Submit a first draft version a few days before the deadline
- Upload new versions regularly: Only the latest version is kept

The EPSS system

After submission

- You receive instantly an email from EPSS

«You have submitted a proposal to the Electronic Proposal Submission System. Your proposal is now stored on the EPSS system with number 045608 for subsequent evaluation by the Commission.»

Document Adobe
Acrobat

- You receive a few days later an email with a Acknowledge of Receipt (AoR)

If you don't receive the AoR within 1 week contact EC immediately!
