GOVERNANCE CHALLENGE

CONTEXT

UNDP 5 "good governance" principles
- **Legitimacy and Voice** (participation)
- **Accountability** (transparency)
- **Performance** (responsiveness, effectiveness, and efficiency)

- Fairness (equity and rule of law)
- Direction (Strategic vision)

INNOVATION

Reframing issues:

- Institutional capacity – participation
Citizen reporters, inspectors, experts, service designers

- Corruption - Accountability & transparency
Larger # of CSOs, broader citizen base
"Be Responsible"; investigative journalism

- Performance – participatory monitoring
"Daj Predlog"; Kallxo.com

COLLABORATION

- CSOs
- NESTA
- Edgeryders
- Institute for the future
- Futurescaper
- FINKI Macedonia
- UN Global Pulse
