Why to participate in EU-funded research ...

... to SERVE better your INTERESTS – to ACHIEVE your TARGETS easier & faster

- Get money
- Awareness on trends
- Identify opportunities
- Gain recognition
- New Contacts
- ‘Global’ thinking
- Improve skills
- Reduce / share risk
- New products / services
- Get customers
- Acquire knowledge

IST-BONUS Training, 31/03 – 01/04/2006, Sofia www.ist-bonus.net Q-PLAN Building Excellence

istBonus Information Society Technologies

Successful participation means ...

× *Not just to participate in one or more projects,*

but to participate in projects that:

- ✓ *serve your purpose (meet your needs, objectives and targets)*
- ✓ *offers you the desired role and benefits.*

IST-BONUS can help you on this

IST-BONUS Training, 31/03 – 01/04/2006, Sofia www.ist-bonus.net Q-PLAN Building Excellence

istBonus Information Society Technologies

SR&DC

SOFTWARE RESEARCH & DEVELOPMENT CENTER

Short description: The Software Research and Development Center (SRDC) is a research center operating under the Faculty of Engineering in the leading technical university in Turkey, The Middle East Technical University (METU). SRDC is established by the Scientific and Technical Research Council of Turkey (STRTEAM) in October 1995. The aim of this center is to build large scale software research and development projects and to foster international co-operation.

RESEARCH ACTIVITY AREAS

SRDC has a wide expertise on semantic web technologies, web services, ontology languages and semantic interoperability fields. Our main research activity areas include:

- Semantic Networks
- Semantic Web
- e-Health
- e-Business
- Grid and Languages & Semantic Mediation
- Web Services & Web Service Interoperability
- P2P Systems and GRID Systems

REFERENCE PROJECTS

METS-SRDC has a total participation in 8 projects funded by European Commission. In 3 of them as a coordinator. In addition METS-SRDC has been involved in a number of research and development projects supported by the government, industrial companies and international organizations.
